SUMMIT FALL RETREAT

BSW

UNDERGROUND

**MIDDLE SCHOOL
FALL RETREAT
OCT 17-19, 2025**

What is Summit Retreat?

Summit Retreat consists of two separate experiences: one for middle school and one for high school. Just like prophets began their trek "summitting" up the mountain to meet with God, we begin our school year strong in our fall retreat "Summit" to meet with Him. Middle schoolers will meet with God, experiencing high-energy worship, engaging teaching, and plenty of time with each other to laugh, grow, and build friendships. This retreat is packed with activities and moments that will help students experience God in powerful ways and leave them excited about their faith as the school year kicks off.

Guest Speaker: Brian Schley

Back by popular demand! Pastor Brian is a master story teller and he's going to be teaching us from one of the epistles, lessons from the followers of Jesus! What was it like to follow Jesus in the first century? We'll see!

Brian enjoys reading, being outdoors, spending time with his wife and 4 kids, camping, boating, biking, coaching and playing sports of all kinds!

**HIGH SCHOOL
FALL RETREAT

What is Summit Retreat?

Summit Retreat consists of two separate experiences: one for middle school and one for high school. Just like prophets began their trek "summitting" up the mountain to meet with God, we begin our school year strong in our fall retreat "Summit" to meet with Him. High schoolers will meet with God in a more personal and intentional way, creating space for Him to speak through the noise of our busy lives by cultivating the practice of silence and solitude. **We are asking students to leave their phones at home (or drop them off in the meeting room once we arrive) to cut through distractions and truly connect.** It's a chance to unplug from the noise, listen purposefully, and build a deeper relationship with God and each other..

OUR GUEST SPEAKER

Steve Berg is the Youth Pastor at Door Creek Church and has been working with teens for 20 years. He is passionate about helping students live in Jesus' better story. Steve loves spending time outside and being active. He loves cheering for the Packers, playing games with his girls, and fishing with his son. He is also crazy about his wife Stephanie. Steve loves seeing students ask good questions and lean into the messiness of life to experience the goodness of Jesus.
